AI Integration

AI Readiness Audit

\$3,500

Comprehensive assessment of your district's AI readiness across infrastructure, policies, teacher capacity, and student access. Includes prioritized action plan and executive summary for cabinet.

AI Integration PD Day

\$3,000-\$5,000

Full-day professional development for teachers and coaches. Hands-on workshops on AI tools grounded in cognitive science.

AI Policy Development

\$6,000

District-wide AI policies and implementation guidelines. Student responsible use policy, teacher guidance, parent communication.

AI for Teachers

\$3,000-\$6,000

Classroom-level AI integration training. Workflow templates, lesson examples, four-check audit for AI output.

Co-Teaching & Inclusion

Co-Teaching Program Launch (Most Popular)

\$12,000

Full-year co-teaching system implementation from Co-Teaching Evolved. Kickoff training, coaching cycles, sustainability planning, progress monitoring.

Co-Teaching Kickoff

\$3,000-\$5,000

Two-day intensive. Three-level model, Graze and Tag strategy, partnership protocols for co-teaching pairs and administrators.

Co-Teaching Sustainability & Retention

\$7,000

For existing programs needing sustainability support. Retaining special education teachers, building coaching capacity, measuring inclusion outcomes.

Leadership & Instructional Innovation

Instructional Coaching PD

\$3,000-\$6,000

Coaching systems from Crush It from the Start: 25 Tips. Templates, observation protocols, feedback cycles.

Cognitive Science & Instructional Design

\$4,000

Ground instruction in evidence. Retrieval practice, spaced practice, interleaving, cognitive load theory with AI integration.

Data & Assessment Strategy

\$2,500

Coherent assessment strategy balancing formative, interim, and summative data. Dashboard design and data literacy for leaders.

WASC & EdTech Advisory

WASC Accreditation Support

\$5,000

Retainer support through WASC cycle. Self-study facilitation, evidence systems, action plan development.

EdTech Product Advisory

\$3,000-\$5,000

For edtech companies. Classroom feasibility analysis, pedagogical alignment review, district procurement insights.

All engagements include pre-planning consultation, custom-aligned content, and post-engagement follow-up. Travel included within Southern California.
